The plan is a Qualified Dental Health Plan in the Health Insurance Marketplace and your plan year starts with the first month of eligibility.

Network agreements

Network providers agree to accept an agreed-upon amount as payment in full. Your policy explains your share of the cost of services rendered by network providers. It may include a deductible, a set amount (copayment), and a percent of the cost (coinsurance).

When you go to a network provider:

- The amount you pay is based on the agreed-upon amount.
- The provider can't "balance bill" you for charges greater than that amount.

When you go to an out-of-network provider::

- The amount you pay for health benefits is based on Humana's maximum allowable fee. The amount you pay for vision benefits is based on Humana reimbursement limit
- The provider can balance bill you for charges greater than the maximum allowable fee and/or the reimbursement limit. These charges don't apply to your out-of-pocket limit or deductible.

Limitations and exclusions (things that are not covered)

This is an outline of the limitations and exclusions for the Humana individual health plan listed above. It is designed for convenient reference.
