Certificate of Coverage Humana Medical Plan, Inc.

Group Plan Sponsor:

Group Plan Number: **Plan:** **Option:**

Effective Date:

In accordance with the terms of the *master group contract* issued to the *group plan sponsor*, Humana Medical Plan, Inc. certifies that a *covered person* has coverage for the benefits described in this *certificate*. This *certificate* becomes the Certificate of Coverage and replaces any and all certificates and certificate riders previously issued.

A handwritten signature in black ink, which appears to read "Bruce Broussard".

Bruce Broussard
President

This booklet, referred to as a Benefit Plan Document, is provided to describe *your* Humana coverage

This certificate contains a Deductible

Florida Compares Care resources from the Agency for Health Care Administration (AHCA) can be found at [https:// www .floridahealthfinder.gov/](https://www.floridahealthfinder.gov/). The site includes helpful information about Florida healthcare, plans and facilities.

UNDERSTANDING YOUR COVERAGE

As *you* read through the *certificate*, *you* will see some words are printed in italics. Italicized words may have different meanings in the *certificate* than in general. Please check the "Glossary" sections for the meaning of the italicized words as they apply to *your* plan.

The *certificate* gives *you* information about *your* plan. It tells *you* what is covered and what is not covered. It also tells *you* what *you* must do and how much *you* must pay for services. *Your* plan covers many services, but it is important to remember it has limits. Be sure to read *your certificate* carefully before using *your* benefits.

Essential health benefits

This *certificate* does not apply annual dollar limits or lifetime dollar limits to *covered expenses* that are *essential health benefits*.

Covered and non-covered expenses

We will provide coverage for services, equipment and supplies that are *covered expenses*. All requirements of the *master group contract* apply to *covered expenses*.

The date used on the bill we receive for *covered expenses* or the date confirmed in *your* medical records is the date that will be used when *your* claim is processed to determine the benefit period.

You must pay the health care provider any amount due that we do not pay. Not all services and supplies are a *covered expense*, even when they are ordered by a *health care practitioner*.

Refer to the "Schedule of Benefits," the "Covered Expenses" and the "Limitations and Exclusions" sections and amendment attached to the *certificate* to see when services or supplies are *covered expenses* or are non-covered expenses.

How your master group contract works

You may have to pay a *deductible* before we pay for certain *covered expenses*. If a *deductible* applies, and it is met, we will pay *covered expenses* at the *coinsurance* amount. Refer to the "Schedule of Benefits" to see when the *deductible* applies and the *coinsurance* amount we pay. *You* will be responsible for the *coinsurance* amount we do not pay.

If an *out-of-pocket limit* applies and it is met, we will pay *covered expenses* at 100% the rest of the year, subject to the *maximum allowable fee*.

Our payment for *covered expenses* is calculated by applying any *deductible* and *coinsurance* to what we allow. For a *covered expense*, we will allow the total amount billed by the *qualified provider*, less any amounts such as:

- Those negotiated by contract, directly or indirectly, between *us* and the *qualified provider*;
- Those in excess of the *maximum allowable fee*; or
- Adjustments related to *our* claims processing procedures.

UNDERSTANDING YOUR COVERAGE (continued)

The service and diagnostic information submitted on the *qualified provider's* bill will be used to determine which provision of the "Schedule of Benefits" applies.

Your choice of providers affects your benefits

We may appoint certain *network providers* for certain kinds of services. If you do not see the appointed *network provider* for these services, we may pay less.

Some *non-network providers* work with *network hospitals*. We will pay non-network pathologists, anesthesiologists, radiologists, and emergency room physicians working with a *network hospital* at the *network provider* benefit, subject to the *maximum allowable fee*. You are not responsible for paying the *non-network provider* for charges in excess of the *maximum allowable fee*; however, you are responsible for any applicable *deductible*, *coinsurance* and/or *copayment* for services received.

Refer to the "Schedule of Benefits" sections to see what your benefits are.

How to find a network provider

You may find a list of *network providers* at www.humana.com. This list is subject to change. Please check this list before receiving services from a *qualified provider*. You may also call our customer service department at the number listed on your ID card to determine if a *qualified provider* is a *network provider*, or we can send the list to you. A *network provider* can only be confirmed by us.

How to use your health maintenance organization (HMO) plan

You may receive services from a *network provider* with your HMO plan. You do not need a referral to see your *primary care physician*, or a *network provider* who is a gynecologist, obstetrician, chiropractor, podiatrist, or the first five visits to a dermatologist. However, you must have a referral from your *primary care physician* that is approved by us to see any other *network provider*. Refer to the "Schedule of Benefits" for any *preauthorization* requirements.

Selecting your primary care physician

Each *covered person* on your plan must choose a *primary care physician*. You may select the following *network health care practitioners* as a *primary care physician* to provide all care and treatment as may be provided within the scope of each provider's license: gynecologist, obstetrician, or chiropractor. If you do not choose a *primary care physician*, one will be chosen for you.

You may change your *primary care physician* at www.humana.com or you may call us at the customer service number listed on your ID card. You must contact us before receiving services from a new *primary care physician*. We will send you a new ID card with your new *primary care physician's* name.

UNDERSTANDING YOUR COVERAGE (continued)

Role of the primary care physician

A *primary care physician* provides *preventive services*, diagnostic health care services and health care for medical conditions. Always discuss your medical condition with your *primary care physician*. Your *primary care physician* may refer you to a *specialty care physician* or other *network providers* for your health care, when needed. We do have to approve the referral to another *network provider* before you receive the services. Referrals are not required for the following *network health care practitioners*: gynecologist, obstetrician, chiropractor, podiatrist, or the first five visits to a dermatologist.

You may need to see another *network provider* named by your *primary care physician* when they cannot see you. Please discuss who this *network provider* is with your *primary care physician*.

Use of network providers

In most cases, there are *network providers* for your health care. *Network providers* have agreed to provide *covered expenses* at lower costs. You must pay any *copayment*, *deductible* or *coinsurance* you owe to the *network provider*. The *network provider* will accept your *copayment*, *deductible* or *coinsurance* and the amount we pay as the full payment. You will not be billed for charges over the *maximum allowable fee*.

Be sure to determine if your provider is a *network provider* before you receive services from them. We offer many health care plans, and a *qualified provider* who is a *network provider* for one plan may not be a *network provider* for this plan.

We may designate certain *network providers* for certain kinds of services.

Use of non-network providers

If a *network provider* cannot provide the *covered expenses* you need or they cannot treat your condition, you must have a referral from your *primary care physician* that is approved by us to receive services from a *non-network provider*. Only the services approved by us will be a *covered expense*. *Non-network providers* have not signed an agreement with us for lower costs for services and they may bill you for any amount over the *maximum allowable fee*. You are not responsible for paying the *non-network provider* for charges in excess of the *maximum allowable fee*; however, you are responsible for any applicable *deductible*, *coinsurance*, and/or *copayment* for services received.

Continuity of Care

Continuity of care means the continuation of services from a terminated provider. A terminated provider is a *network provider* whose contract is terminated or not renewed for reasons other than for cause.

A *covered person* who is actively under treatment may continue *medically necessary* treatment with the terminated provider until:

- The *covered person* selects another provider; or
- The next open enrollment period;

UNDERSTANDING YOUR COVERAGE (continued)

whichever period is longer up to a maximum of 6 months following termination of the provider's contract.

Continuity of care is also available for a *covered person* who is pregnant and has initiated prenatal care, regardless of the trimester in which care was initiated. The *covered person* may continue receiving care from a terminated provider until completion of their postpartum care.

Seeking emergency care

If you need *emergency care*:

- Go to the nearest *network hospital* emergency room; or
- Find the nearest *hospital* emergency room if *your* condition does not allow you to go to a *network hospital*.

You, or someone on *your* behalf, must call *us* within 48 hours after *your admission* to a *non-network hospital* for *emergency care*. If *your* condition does not allow you to call *us* within 48 hours after *your admission*, contact *us* as soon as *your* condition allows. *We* may transfer you to a *network hospital* in the *service area* when *your* condition is stable. *You* must receive services from a *network provider* for any follow-up care.

Seeking urgent care

If you need *urgent care*, call *your primary care physician* first. If they are not available, go to the nearest *network urgent care center*. *You* must receive services from a *network provider* for any follow-up care.

Our relationship with qualified providers

Qualified providers are not *our* agents, employees or partners. All providers are independent contractors. *Qualified providers* make their own clinical judgments or give their own treatment advice without decisions made by *us*.

The *master group contract* will not change what is decided between *you* and *qualified providers* regarding *your* medical condition or treatment options. *Qualified providers* act on *your* behalf when they order services. *You* and *your qualified providers* make all decisions about *your* health care, no matter what *we* cover. *We* are not responsible for anything said or written by a *qualified provider* about *covered expenses* and/or what is not covered under this *certificate*. Please call *our* customer service department at the telephone number listed on *your* ID card if *you* have any questions.

COVERED EXPENSES

This "Covered Expenses" section describes the services that will be considered *covered expenses* under the *master group contract*. Benefits will be paid, as prescribed by *your primary care physician*, for covered medical services for a *bodily injury* or *sickness*, or for specified *preventive services*, on a *maximum allowable fee* basis and as shown on the "Schedules of Benefits" subject to any applicable:

- *Deductible*;
- *Copayment*;
- *Coinsurance* percentage; and

About our drug list

Prescription drugs, medicines or medications, including *specialty drugs* and *self-administered injectable drugs* prescribed by *health care practitioners* and covered by us are specified on our printable *drug list*. The *drug list* identifies categories of drugs, medicines or medications by levels. It also indicates *dispensing limits*, *specialty drug designation* and any applicable *prior authorization* or *step therapy* requirements. This information is reviewed on a regular basis by a Pharmacy and Therapeutics committee made up of physicians and *pharmacists*. Placement on the *drug list* does not guarantee your *health care practitioner* will prescribe that *prescription* drug, medicine or medication for a particular medical condition. You can obtain a copy of our *drug list* by visiting our Website at www.humana.com or calling the customer service telephone number on your identification card.

Access to non-formulary contraceptives

A covered person may gain access to non-formulary contraceptive drugs with no cost-sharing when a *health care practitioner* recommends and determines that a particular method of contraception or FDA-approved contraceptive item is *medically necessary*.

Access to non-formulary drugs

A drug not included on our *drug list* is a non-formulary drug. If a *health care practitioner* prescribes a clinically appropriate non-formulary drug, you can request coverage of the non-formulary drug through a standard exception request or an expedited exception request. If you are dissatisfied with our decision of an exception request, you have the right to the non-formulary drug appeal procedures.

Any applicable *cost share* for the *prescription* will apply toward the *out-of-pocket limit*.

If we deny a standard exception request, *you* have the right to appeal *our* decision as outlined in the "Non-formulary drug appeal procedures" provision in this section.

- Undergoing a current course of treatment using a non-formulary drug.

As part of the expedited review request, the prescribing *health care practitioner* should include an oral or written:

 - Would have adverse effects.

If *we* grant an expedited exception request to cover a prescribed, clinically appropriate non-formulary drug based on exigent circumstances, *we* will provide access to the prescribed non-formulary drug:

- Without unreasonable delay; and

If *we* deny an exception request to cover a non-formulary drug, *you, your* appointed representative, or *your* prescribing *health care practitioner* have the right to appeal *our* decision to an external independent review organization. Refer to the exception request decision letter for instructions or call the customer service number on *your* identification card.

Coverage for a newborn adopted child is not available in the event the child is not ultimately placed in the residence of the *employee*. An adopted *dependent*, that is not a newborn, will be automatically covered from the date of adoption or date of placement of the child with the *employee* for the purpose of adoption, whichever occurs first, for 31 days. No additional premium will be charged for the first 31 days of coverage if notice is given to *us* within 31 days after the birth of the newborn *dependent*, date of adoption or date of placement of the adopted *dependent* or date of placement of the foster *dependent*.

If *dependent* child coverage is in force as of the newborn's date of birth in the case of newborn *dependents* and newborn adopted children, the earlier of the date of adoption or date of placement of the child with the *employee* for purposes of adoption in the case of adopted *dependents*, or the date of placement of the foster child, coverage will continue beyond the initial 31 days. *You* must notify *us* to make sure *we* have accurate records to administer benefits.

Waiting period credit

If the *employee* had not completed the initial *waiting period* under the *group plan sponsor's* Prior Plan on the day that it ended, any period of time that the *employee* satisfied will be applied to the appropriate *waiting period* under the *master group contract*, if any. The *employee* will then be eligible for coverage under the *master group contract* when the balance of the *waiting period* has been satisfied.

Out-of-pocket limit

Any amount applied to the Prior Plan's *out-of-pocket limit* or stop-loss limit will be credited toward the satisfaction of any *network provider out-of-pocket limit* of the *master group contract* if the amount applied under the Prior Plan will partially or fully satisfy the *out-of-pocket limit* under the *master group contract* for the year in which *your* coverage becomes effective.

TERMINATION PROVISIONS

Termination of coverage

The date of termination, as described in this "Termination Provisions" section, may be the actual date specified or the end of that month, as selected by *your employer* on the Employer Group Application (EGA).

You and your employer must notify *us* as soon as possible if *you* or *your dependent* no longer meets the eligibility requirements of the *master group contract*. Notice must be provided to *us* within 31 days of the change.

When *we* receive notification of a change in eligibility status in advance of the effective date of the change, coverage will terminate on the actual date specified by the *employer* or *employee* or at the end of that month, as selected by *your employer* on the EGA.

When *we* receive the *employer's* request to terminate coverage retroactively, the *employer's* termination request is their representation to *us* that *you* did not pay any premium or make contribution for coverage past the requested termination date.

Otherwise, coverage terminates on the earliest of the following:

- The date the *master group contract* terminates;
- The last day of the month required premium was received if the required premium was not paid by the end of the 31-day grace period. Coverage will remain in force during the grace period, however, if the required premium is not paid by the end of the 31-day grace period, coverage will terminate as of the last day of the month for which premium was received;
- The date the *employee* terminated employment with the *employer*;
- The date the *employee* no longer qualified as an *employee*;
- The date the *employee* no longer lives or works in the *service area*;
- The date *you* fail to be in an eligible class of persons as stated in the EGA;
- The date the *employee* entered full-time military, naval or air service;
- The date the *employee* retired, except if the EGA provides coverage for a retiree class of *employees* and the retiree is in an eligible class of retirees, selected by the *employer*;
- The date of an *employee* request for termination of coverage for the *employee* or *dependents*;
- For a *dependent*, the date the *employee's* coverage terminates;
- For a *dependent*, the date the *employee* ceases to be in a class of *employees* eligible for *dependent* coverage;
- For a newborn child born to an *employee's* covered *dependent* child, the date he or she is 18 months of age;

TERMINATION PROVISIONS (continued)

- The date *your dependent* no longer qualifies as a *dependent*;
- For any benefit, the date the benefit is deleted from the *master group contract*; or
- The date fraud or an intentional misrepresentation of a material fact has been committed by *you*. For more information on fraud and intentional misrepresentation, refer to the "Fraud" provision in the "Miscellaneous Provisions" section of this *certificate*.

Termination for cause

We will terminate *your* coverage for cause under the following circumstances:

- If *you* allow an unauthorized person to use *your* identification card or if *you* use the identification card of another *covered person*. Under these circumstances, the person who receives the services provided by use of the identification card will be responsible for paying *us* the *maximum allowable fee* for those services.
- If *you* or the *group plan sponsor* perpetrate fraud or intentional misrepresentation on claims, identification cards or other identification in order to obtain services or a higher level of benefits. This includes the fabrication or alteration of a *claim*, identification card or other identification.

EXTENSION OF BENEFITS

Extension of coverage for total disability

We extend limited coverage if the *master group contract* terminates while you are *totally disabled* due to a *bodily injury* or *sickness* that occurs while the *master group contract* is in effect.

Benefits are payable only for those expenses incurred for the same *sickness* or *bodily injury* which caused you to be *totally disabled*. Coverage for the disabling condition continues, but not beyond the earliest of the following dates:

- The date *your health care practitioner* certifies you are no longer *totally disabled*; or
- The date any maximum benefit is reached; or
- The last day of a 12 consecutive month period following the date the *master group contract* terminated; or
- The date you become covered by any medical insurance or health services plan that provides replacement coverage without limitation as to the disability condition.

For pregnancy, when not covered by the succeeding carrier, maternity benefits will continue until the date of delivery, provided the pregnancy began after *your* effective date and prior to the termination of the *master group contract*. This extension will not be based on *total disability*.

Additionally, the extension of coverage may be terminated or denied to a *covered person* who:

- Is disenrolled for cause;
- Commits an act of fraud or intentional misrepresentation; or
- Moves outside of the *service area*.

No insurance is extended to a child born as a result of a *covered person's* pregnancy.

The "Extension of coverage for total disability" provision does not apply to covered retired persons.

CONTINUATION

Continuation options in the event of termination

If coverage terminates it may be continued under the continuation provisions as provided by the Consolidated Omnibus Budget Reconciliation Act (COBRA), if applicable.

SAMPLE

CONTINUATION OF COVERAGE FOR ACTIVE MILITARY SERVICE

Coverage and premium

Continuation of coverage is available for an *employee* and their covered *dependents* while the *employee* is called to *active duty* or *state active duty*. The *employee* will have the same premium in effect for other insureds under the same *master group contract*.

Notification

The *employee*, or an appropriate military authority, must notify the *employer* that the *employee* wishes to continue coverage before reporting for *active duty* or *state active duty*.

This notice is not required if impossible or unreasonable (such as an immediate call-up in a natural disaster emergency) or if military necessity precludes it.

Reinstatement of coverage

The *employee* is not required to continue coverage while on *active duty* or *state active duty*. If coverage is not continued, the *employee* will have 63 days to request reinstatement upon returning to work with the same *employer*. There will be no waiting period, nor may any condition existing at the time of call-up prevent them from reinstatement.

Continuation

If health insurance terminates:

- It may be continued as described in the Uniformed Services Employment and Reemployment Rights Act (USERRA); or
- It may be continued under the continuation provisions as provided by the Consolidated Omnibus Budget Reconciliation Act (COBRA), if applicable.

Definitions

The following terms are used in this provision:

Active duty: full-time duty in the active military service of the United States.

State active duty: those periods when the Governor orders the National Guard into service, typically in response to natural disasters or civic disorders.

COORDINATION OF BENEFITS

This "Coordination of Benefits" (COB) provision applies when a person has health care coverage under more than one *plan*. The order of benefit determination rules below determine which *plan* will pay as the *primary plan*. The *primary plan* pays first without regard to the possibility another *plan* may cover some expenses. A *secondary plan* pays after the *primary plan* and may reduce the benefits it pays so that payments from all *plans* do not exceed 100% of the total *allowable expense*.

Definitions

The following definitions are used exclusively in this provision.

Plan means any of the following that provide benefits or services for medical or dental care or treatment. However, if separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered part of the same *plan* and there is no COB among those separate contracts.

Plan includes:

- Group insurance contracts, health maintenance organization (HMO) contracts, closed panel or other forms of group or group-type coverage (whether insured or uninsured);
- Medical care components of long-term care contracts, such as skilled nursing care;
- Medical benefits under group or individual contracts, including "No Fault" and Medical Payments coverages; and
- *Medicare* or other governmental benefits, as permitted by law.

Plan does not include:

- Individual or family insurance;
- Closed panel or other individual coverage (except for group-type coverage);
- Hospital indemnity benefits;
- School accident type coverage;
- Benefits for non-medical care components of group long-term care contracts;
- Medicare supplement policies;
- A state plan under *Medicaid*; and
- Coverage under other governmental plans, unless permitted by law.

Each contract for coverage is a separate *plan*. If a *plan* has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate *plan*.

Notwithstanding any statement to the contrary, for the purposes of COB, prescription drug coverage under this *plan* will be considered a separate *plan* and will therefore only be coordinated with other prescription drug coverage.

Primary/secondary means the order of benefit determination stating whether this *plan* is *primary* or *secondary* covering the person when compared to another *plan* also covering the person.

COORDINATION OF BENEFITS (continued)

When this *plan* is *primary*, its benefits are determined before those of any other *plan* and without considering any other *plan's* benefits. When this *plan* is *secondary*, its benefits are determined after those of another *plan* and may be reduced because of the *primary plan's* benefits.

Allowable expense means a health care service or expense, including deductibles, if any, and copayments, that is covered at least in part by any of the *plans* covering the person. When a *plan* provides benefits in the form of services (e.g. an HMO), the reasonable cash value of each service will be considered an *allowable expense* and a benefit paid. An expense or service that is not covered by any of the *plans* is not an *allowable expense*. The following are examples of expenses or services that are not *allowable expenses*:

- If a *covered person* is confined in a private *hospital* room, the difference between the cost of a semi-private room in the *hospital* and the private room, (unless the patient's stay in a private *hospital* room is medically necessary in terms of generally accepted medical practice, or one of the *plans* routinely provides coverage for *hospital* private rooms) is not an *allowable expense*.
- If a person is covered by two or more *plans* that compute their benefits payments on the basis of usual and customary fees, any amount in excess of the highest usual and customary fees for a specific benefit is not an *allowable expense*.
- If a person is covered by two or more *plans* that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the fees is not an *allowable expense*.
- If a person is covered by one *plan* that calculates its benefits or services on the basis of usual and customary fees and another *plan* that provides its benefits or services on the basis of negotiated fees, the *primary plan's* payment arrangement shall be the *allowable expense* for all *plans*.
- The amount a benefit is reduced by the *primary plan* because a *covered person* does not comply with the *plan* provisions. Examples of these provisions are second surgical opinions, precertification of *admissions* and preferred provider arrangements.

Claim determination period means a calendar year. However, it does not include any part of a year during which a person has no coverage under this *plan*, or before the date this COB provision or a similar provision takes effect.

Closed panel plan is a *plan* that provides health benefits to covered persons primarily in the form of services through a panel of providers that has contracted with or are employed by the *plan*, and that limits or excludes benefits for services provided by other providers, except in the cases of emergency or referral by a panel member.

Custodial parent means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.

COORDINATION OF BENEFITS (continued)

Order of determination rules

General

When two or more *plans* pay benefits, the rules for determining the order of payment are as follows:

- The *primary plan* pays or provides its benefits as if the *secondary plan* or *plans* did not exist.
- A *plan* that does not contain a COB provision that is consistent with applicable promulgated regulation is always *primary*. There is one exception: coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the *plan* provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base *plan* hospital and surgical benefits, and insurance type coverages that are written in connection with a *closed panel plan* to provide out-of-network benefits.
- A *plan* may consider the benefits paid or provided by another *plan* in determining its benefits only when it is *secondary* to that other *plan*.

Rules

The first of the following rules that describes which *plan* pays its benefits before another *plan* is the rule to use.

- **Non-dependent or dependent.** The *plan* that covers the person other than as a *dependent*, for example as an *employee*, member, subscriber or retiree is *primary* and the *plan* that covers the person as a *dependent* is *secondary*. However, if the person is a *Medicare* beneficiary and, as a result of federal law, *Medicare* is *secondary* to the *plan* covering the person as a *dependent*; and *primary* to the *plan* covering the person as other than a *dependent* (e.g. retired *employee*); then the order of benefits between the two *plans* is reversed so that the *plan* covering the person as an *employee*, member, subscriber or retiree is *secondary* and the other *plan* is *primary*.
- **Dependent child covered under more than one *plan*.** The order of benefits when a child is covered by more than one *plan* is:
 - The *primary plan* is the *plan* of the parent whose birthday is earlier in the year if:
 - The parents are married;
 - The parents are not separated (whether or not they have been married); or
 - A court decree awards joint custody without specifying that one part has the responsibility to provide health care coverage.
 - If both the parents have the same birthday, the *plan* that covered either of the parents longer is *primary*.

COORDINATION OF BENEFITS (continued)

- If the specific terms of a court decree state that one parent is responsible for the child's health care expenses or health care coverage and the *plan* of that parent has actual knowledge of those terms, that *plan* is *primary*. This rule applies to *claim determination periods* or plan years commencing after the *plan* is given notice of the court decree.
- If the parents are not married, or are separated (whether or not they ever have been married) or are divorced, the order of benefits is:
 - The *plan* of the *custodial parent*;
 - The *plan* of the spouse of the *custodial parent*;
 - The *plan* of the non-*custodial parent*; and then
 - The *plan* of the spouse of the non-*custodial parent*.
- **Active or inactive employee.** The *plan* that covers a person as an *employee*, who is neither laid off nor retired, is *primary*. The same would hold true if a person is a *dependent* of a person covered as a retiree and an *employee*. If the other *plan* does not have this rule, and if, as a result, the *plans* do not agree on the order of benefits, this rule is ignored.
- **Continuation coverage.** If a person whose coverage is provided under a right of continuation provided by federal or state law also is covered under another *plan*, the *plan* covering the person as an *employee*, member, subscriber or retiree (or as that person's *dependent*) is *primary*, and the continuation coverage is *secondary*. If the other *plan* does not have this rule, and if, as a result, the *plans* do not agree on the order of benefits, this rule is ignored.
- **Longer or shorter length of coverage.** The *plan* that covered the person as an *employee*, member, subscriber or retiree longer is *primary*.

If the preceding rules do not determine the *primary plan*, the *allowable expenses* shall be shared equally between the *plans* meeting the definition of *plan* under this provision. In addition, this *plan* will not pay more than it would have had it been *primary*.

Effects on the benefits of this plan

When this *plan* is *secondary*, benefits may be reduced to the difference between the allowable expense (determined by the *primary plan*) and the benefits paid by any *primary plan* during the *claim determination period*. Payment from all *plans* will not exceed 100% of the total *allowable expense*.

If a *covered person* is enrolled in two or more *closed panel plans* and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one *closed panel plan*, COB shall not apply between that *plan* and the other *closed panel plan*.

COORDINATION OF BENEFITS (continued)

Right to receive and release needed information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this *plan* and other *plans*. We may get the facts we need from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under this *plan* and other *plans* covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under this *plan* must give us any facts we need to apply those rules and determine benefits payable.

Facility of payment

A payment made under another *plan* may include an amount that should have been paid under this *plan*. If it does, we may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid under this *plan*. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means a reasonable cash value of the benefits provided in the form of services.

Right of recovery

If the amount of the payments made by us is more than we should have paid under this COB provision, we may recover the excess from one or more of the persons we have paid or for whom we have paid; or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

General coordination of benefits with Medicare

If you are covered under both *Medicare* and this *certificate*, federal law mandates that *Medicare* is the secondary plan in most situations. When permitted by law, this plan is the secondary plan. In all cases, coordination of benefits with *Medicare* will conform to federal statutes and regulations. If you are enrolled in *Medicare*, your benefits under this *certificate* will be coordinated to the extent benefits are payable under *Medicare*, as allowed by federal statutes and regulations.

CLAIMS

Notice of claim

Network providers will submit claims to *us* on *your* behalf. If *you* utilize a *non-network provider* for *covered expenses*, *you* must submit a notice of claim to *us*. Notice of claim must be given to *us* in writing or by *electronic mail* as required by *your* plan, or as soon as is reasonably possible thereafter. Notice must be sent to *us* at *our* mailing address shown on *your* identification documentation or at *our* Website at www.humana.com.

Claims must be complete. At a minimum a claim must contain:

- Name of the *covered person* who incurred the *covered expenses*;
- Name and address of the provider;
- Diagnosis;
- Procedure or nature of the treatment;
- Place of service;
- Date of service; and
- Billed amount.

If *you* receive services outside the United States or from a foreign provider, *you* must also submit the following information along with *your* complete claim:

- *Your* proof of payment to the provider for the services received outside the United States or from a foreign provider;
- Complete medical information and medical records;
- *Your* proof of travel outside of the United States, such as airline tickets or passport stamps, if *you* traveled to receive the services; and
- The foreign provider's fee schedule if the provider uses a billing agency.

The forms necessary for filing proof of loss are available at www.humana.com. When requested by *you*, we will send *you* the forms for filing proof of loss. If the requested forms are not sent to *you* within 15 days, *you* will have met the proof of loss requirements by sending *us* a written or *electronic* statement of the nature and extent of the loss containing the above elements within the time limit stated in the "Proof of loss" provision.

Proof of loss

You must give written or *electronic* proof of loss within 90 days after the date *you* incur such loss. *Your* claims will not be reduced or denied if it was not reasonably possible to give such proof within that time period.

Your claims may be reduced or denied if written or *electronic* proof of loss is not provided to *us* within one year after the date proof of loss is required, unless *your* failure to timely provide that proof of loss is due to *your* legal incapacity as determined by an appropriate court of law.

CLAIMS (continued)

Claims processing procedures

Qualified provider services are subject to *our* claims processing procedures. *We* use *our* claims processing procedures to determine payment of *covered expenses*. *Our* claims processing procedures include claims processing edits and claim payment policies, as determined by *us*. *Your qualified provider* may access *our* code edit notifications and claim payment policies in the "Claims Resources" section at the "For Providers" link on *our* website at www.humana.com.

Claims processing procedures include the interaction of a number of factors. The amount determined to be payable for a *covered expense* may be different for each claim because the mix of factors may vary. Accordingly, it is not feasible to provide an exhaustive description of the claims processing procedures, but examples of the most commonly used factors are:

- The complexity of a service;
- Whether a service is one of multiple same-day services such that the cost of the service to the *qualified provider* is less than if the service had been provided on a different day. For example:
 - Two or more *surgeries* performed the same day; or
 - Two or more therapy services performed the same day;
- Whether an *assistant surgeon*, *surgical assistant* or any other *qualified provider*, who is billing independently is involved;
- When a charge includes more than one claim line, whether any service is part of or incidental to the primary service that was provided, or if these services cannot be performed together;
- Whether the service is reasonably expected to be provided for the diagnosis reported;
- Whether a service was performed specifically for *you*; or
- Whether services can be billed as a complete set of services under one billing code.

We develop *our* claims processing procedures in *our* sole discretion based on *our* review of correct coding initiatives, national benchmarks, industry standards, and industry sources such as the following, including any successors of the same:

- *Medicare* laws, regulations, manuals and other related guidance;
- Federal and state laws, rules and regulations, including instructions published in the Federal Register;
- National Uniform Billing Committee (NUBC) guidance including the UB-04 Data Specifications Manual;
- American Medical Association's (AMA) Current Procedural Terminology (CPT®) and associated AMA publications and services;
- Centers for Medicare & Medicaid Services' (CMS) Healthcare Common Procedure Coding System (HCPCS) and associated CMS publications and services;
- International Classification of Diseases (ICD);
- American Hospital Association's Coding Clinic Guidelines;
- Uniform Billing Editor;
- American Psychiatric Association's (APA) Diagnostic and Statistical Manual of Mental Disorders (DSM) and associated APA publications and services;
- Food and Drug Administration guidance;
- Medical and surgical specialty societies and associations;

CLAIMS (continued)

- Industry-standard utilization management criteria and/or care guidelines;
- *Our* medical and pharmacy coverage policies; and
- Generally accepted standards of medical, behavioral health and dental practice based on credible scientific evidence recognized in published peer reviewed literature.

Changes to any one of the sources may or may not lead *us* to modify current or adopt new claims processing procedures.

Subject to applicable law, *qualified providers* who are *non-network providers* may bill *you* for any amount *we* do not pay even if such amount exceeds the allowed amount after *we* apply claims processing procedures. Any such amount paid by *you* will not apply to *your deductible* or any *out-of-pocket limit*. *You* will also be responsible for any applicable *deductible, copayment, or coinsurance*.

You or *your qualified provider* may access *our* code edit notifications, claims payment policies and *our* medical and pharmacy coverage policies at the "For Providers" link on *our* website at www.humana.com. *You* or *your qualified provider* may also call *our* toll-free customer service number listed on *your* ID card to obtain a copy of a code edit notification, claims payment policy or coverage policy. *You* should discuss these code edit notifications, claims payment policies and coverage policies and their availability with any *qualified provider* prior to receiving any services.

Right to require medical examinations

We have the right to require a medical examination on any *covered person* as often as *we* may reasonably require. If *we* require a medical examination, it will be performed at *our* expense. *We* also have a right to request an autopsy in the case of death, if state law so allows.

To whom benefits are payable

If *you* receive services from a *network provider*, *we* will pay the provider directly for all *covered expenses*. *You* will not have to submit a claim for payment.

All benefit payments for *covered expenses* rendered by a *non-network provider* are due and owing solely to the *covered person*. *You* may request that *we* direct a payment of selected medical benefits to the health care provider on whose charge the claim is based. Such payments will not constitute the assignment of any legal obligation to the *non-network provider*.

If any *covered person* to whom benefits are payable is a minor or, in *our* opinion, not able to give a valid receipt for any payment due him or her, such payment will be made to his or her parent or legal guardian. However, if no request for payment has been made by the parent or legal guardian, *we* may, at *our* option, make payment to the person or institution appearing to have assumed his or her custody and support.

CLAIMS (continued)

Time of payment of claims

Payments due under the *master group contract* will be paid no more than 30 days after receipt of written or *electronic* proof of loss.

Right to request overpayments

We reserve the right to recover any payments made by *us* that were:

- Made in error;
- Made to *you* or any party on *your* behalf, where *we* determine such payment made is greater than the amount payable under the *master group contract*;
- Made to *you* and/or any party on *your* behalf, based on fraudulent or misrepresented information; or
- Made to *you* and/or any party on *your* behalf for charges that were discounted, waived or rebated.

We reserve the right to adjust any amount applied in error to the *deductible, out-of-pocket limit* or *copayment limit*, if any.

Right to collect needed information

You must cooperate with *us* and when asked, assist *us* by:

- Authorizing the release of medical information including the names of all providers from whom *you* received medical attention;
- Obtaining medical information or records from any provider as requested by *us*;
- Providing information regarding the circumstances of *your sickness, bodily injury* or *accident*;
- Providing information about other insurance coverage and benefits, including information related to any *bodily injury* or *sickness* for which another party may be liable to pay compensation or benefits;
- Providing copies of *claims* and settlement demands submitted to third parties in relation to a *bodily injury* or *sickness*;
- Disclosing details of *liability* settlement agreements reached with third parties in relation to a *bodily injury* or *sickness*; and
- Providing information *we* request to administer the *master group contract*.

If *you* fail to cooperate or provide the necessary information, *we* may recover payments made by *us* and deny any pending or subsequent claims for which the information is requested.

Exhaustion of time limits

If *we* fail to complete a claim determination or appeal within the time limits set forth in the *master group contract*, the claim shall be deemed to have been denied, and *you* may proceed to the next level in the review process outlined under the "Complaint and Appeal Procedures" section of this *certificate* or as required by law.

CLAIMS (continued)

Recovery rights

You as well as *your dependents* agree to the following, as a condition of receiving benefits under the *master group contract*.

Duty to cooperate in good faith

You are obligated to cooperate with *us* and *our* agents in order to protect *our* recovery rights. Cooperation includes promptly notifying *us* *you* may have a claim, providing *us* relevant information, and signing and delivering such documents as *we* or *our* agents reasonably request to secure *our* recovery rights. *You* agree to obtain *our* consent before releasing any party from liability for payment of medical expenses. *You* agree to provide *us* with a copy of any summons, complaint or any other process served in any lawsuit in which *you* seek to recover compensation for *your* injury and its treatment.

You will do whatever is necessary to enable *us* to enforce *our* recovery rights and will do nothing after loss to prejudice *our* recovery rights.

You agree that *you* will not attempt to avoid *our* recovery rights by designating all (or any disproportionate part) of any recovery as exclusively for pain and suffering.

In the event that *you* fail to cooperate with *us*, *we* shall be entitled to recover from *you* any payments made by *us*.

Duplication of benefits/other insurance

We will not provide duplicate coverage for benefits under the *master group contract* when a person is covered by *us* and has, or is entitled to, benefits as a result of their injuries from any other coverage, including, first party uninsured or underinsured motorist coverage, any no-fault insurance, medical payment coverage (auto, homeowners or otherwise), Workers' Compensation settlement or awards, other group coverage (including student plans), direct recoveries from liable parties, premises medical pay or any other insurer providing coverage that would apply to pay *your* medical expenses, except another "plan", as defined in the "Coordination of Benefits" section (e.g., group health coverage), in which case coverage will be determined as described in the "Coordination of Benefits" section.

Where there is such coverage, *we* will not duplicate other coverage available to *you* and shall be considered secondary, except where specifically prohibited. Where double coverage exists, *we* shall have the right to be repaid from whomever has received the overpayment from *us* to the extent of the duplicate coverage.

We will not duplicate coverage under the *master group contract* whether or not *you* have made a claim under the other applicable coverage.

When applicable, *you* are required to provide *us* with authorization to obtain information about the other coverage available, and to cooperate in the recovery of overpayments from the other coverage, including executing any assignment of rights necessary to obtain payment directly from the other coverage available.

CLAIMS (continued)

Workers' compensation

If benefits are paid by *us*, and *we* determine that the benefits are paid or received under any Workers' Compensation or similar law, *we* have the right to recover as described below.

We shall have first priority to recover amounts *we* have paid and the reasonable value of services and benefits provided under a managed care agreement from any funds that are paid or payable by Workers' Compensation or similar coverage as a result of any *sickness* or *bodily injury*, and *we* shall not be required to contribute to attorney fees or recovery expenses under a Common Fund or similar doctrine.

Our right to recover from funds that are paid or payable by Workers' Compensation or similar coverage will apply even though:

- The Workers' Compensation benefits are in dispute or are made by means of settlement or compromise;
- The amount of Workers' Compensation due to medical or health care is not agreed upon or defined by *you* or the Workers' Compensation carrier; or
- Medical or health care benefits are specifically excluded from the Workers' Compensation settlement or compromise.

As a condition to receiving benefits from *us*, *you* hereby agree, in consideration for the coverage provided by the *master group contract*, *you* will notify *us* of any Workers' Compensation claim *you* make, and *you* agree to reimburse *us* as described above. If *we* are precluded from exercising *our* recovery rights to recover from funds that are paid by Workers' Compensation or similar coverage *we* will exercise *our* right to recover against *you*.

Right of subrogation

As a condition to receiving benefits from *us*, *you* agree to transfer to *us* any rights *you* may have to make a claim, take legal action or recover any expenses paid under the *master group contract*. *We* will be subrogated to *your* rights to recover from any funds paid or payable as a result of a personal injury claim or any reimbursement of expenses by:

- Any legally liable person or their carrier, including self-insured entities;
- Any uninsured motorist or underinsured motorist coverage;
- Medical payments/expense coverage under any automobile, homeowners, premises or similar coverages;
- Workers' Compensation or other similar coverage; and
- No-fault or other similar coverage.

We may enforce *our* subrogation rights by asserting a claim to any coverage to which *you* may be entitled. *We* shall have first priority to recover amounts *we* have paid and the reasonable value of services and benefits provided under a managed care agreement from any funds that are paid or payable as a result of any *sickness* or *bodily injury*, regardless of whether available funds are sufficient to fully compensate *you* for *your sickness* or *bodily injury*.

If *we* are precluded from exercising *our* rights of subrogation, *we* may exercise *our* right of reimbursement.

CLAIMS (continued)

Right of reimbursement

If benefits are paid under the *master group contract*, and *you* recover from any legally responsible person, their insurer, or any uninsured motorist, underinsured motorist, medical payment/expense, Workers' Compensation, no-fault, or other similar coverage, *we* have the right to recover from *you* an amount equal to the amount *we* paid and for the reasonable value of services and benefits provided under a managed care agreement.

You shall notify *us*, in writing or by *electronic mail*, within 31 days of any settlement, compromise or judgment. Any *covered person* who waives, abrogates or impairs *our* right of reimbursement or fails to comply with these obligations, relieves *us* from any obligation to pay past or future benefits or expenses until all outstanding lien(s) are resolved.

If, after the inception of coverage with *us*, *you* recover payment from and release any legally responsible person, their insurer, or any uninsured motorist, underinsured motorist, medical payment/expense, Workers' Compensation, no-fault, or other similar insurer from liability for future medical expenses relating to a *sickness* or *bodily injury*, *we* shall have a continuing right to reimbursement from *you* to the extent of the benefits *we* provided with respect to that *sickness* or *bodily injury*. This right, however, shall apply only to the extent of such payment and only to the extent not limited or precluded by law in the state whose laws govern the *master group contract*, including any made whole or similar rule.

The obligation to reimburse *us* in full exists, regardless of whether the settlement, compromise or judgment designates the recovery as including or excluding medical expenses.

Assignment of recovery rights

The *master group contract* contains an exclusion for *sickness* or *bodily injury*, for which there is medical payment/expenses coverage provided under any automobile, homeowner's, premises or other similar coverage.

If *your* claim against the other insurer is denied or partially paid, *we* will process *your* claim according to the terms and conditions of the *master group contract*. If payment is made by *us* on *your* behalf, *you* agree to assign to *us* the right *you* have against the other insurer for medical expenses *we* pay.

If benefits are paid under the *master group contract* and *you* recover under any automobile, homeowner's, premises or similar coverage, *we* have the right to recover from *you*, or whomever *we* have paid, an amount equal to the amount *we* paid.

Cost of legal representation

The costs of *our* legal representation in matters related to *our* recovery rights shall be borne solely by *us*.

The costs of legal representation incurred by *you* shall be borne solely by *you*. *We* shall not be responsible to contribute to the cost of legal fees or expenses incurred by *you* under any Common Fund or similar doctrine unless *we* were given timely notice of the claim and an opportunity to protect *our* own interests and *we* failed or declined to do so.

COMPLAINT AND APPEAL PROCEDURES

There are situations when *covered persons* have questions about their coverage or are dissatisfied with policy services. Any *covered person* who has an inquiry or complaint regarding a matter arising under a *covered person's policy* should contact 1-800-448-6262, in writing to the address provided on the denial letter *you* received or to *us* at the following address. Grievance procedures

Definitions

The following terms are used in this provision:

Grievance is a written complaint submitted by *you* or on *your* behalf to *us* or a state agency regarding:

- Availability or delivery of coverage; or
- Quality of health care services; or
- *Adverse determinations*; or
- Claims payment, handling, or reimbursement for health care services; or
- Matters pertaining to the contract or the relationship between the subscriber and *us*.

Grievance Panel is an internal review committee that includes one or more *health care practitioners*, other than the treating *health care practitioner*.

Adverse Determination means coverage for the requested service is denied, reduced, or terminated because the reviewing organization has determined that based upon the information provided an admission, availability of care, continued stay, or other health care service does not meet the organization's requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness.

Expedited Grievance is a request for review of an *adverse determination* when the standard timeframe for *grievance* review would seriously jeopardize *your* life or health or would jeopardize *your* ability to regain maximum function.

Process

In the event a complaint cannot be satisfactorily resolved by contacting Customer Service, *you* are advised to initiate the *grievance* process.

COMPLAINT AND APPEAL PROCEDURES (continued)

Grievances must be submitted within one year of the occurrence leading to the complaint. *Grievances* may be filed by writing to: Grievance Manager, P.O. Box 14546, Lexington, KY 40512-4546. Should *you* need assistance in submitting a written *grievance* or *expedited grievance*, or choose to initiate the *grievance* process, please call toll-free 1-800-448-6262. During the formal *grievance* process, *you* may request a meeting with *us*. The location of the meeting shall be at *our* administrative offices or at a location within the *service area* which is convenient for *you*. If a phone call would be more convenient to *you*, please use the phone number provided in *your* Acknowledgment Letter.

A Grievance Specialist will review the *grievance* within five (5) business days after receipt. In the case of an *adverse determination*, the *grievance* will be forwarded to the *Grievance Panel* for review. *You* will be notified of a final decision in writing within sixty (60) days after receipt of the *grievance*.

All *expedited grievances*, including *adverse determination* appeals are to be investigated and a decision provided to *you*, *your* authorized representative, or a provider acting on *your* behalf as expeditiously as *your* medical condition requires, but no more than 72 hours after the request for review is received.

You may contact the Agency for Health Care Administration (AHCA) for assistance with the submission of a *grievance* or appeal at any time during the *grievance* process. The toll free telephone hotline number and the address for the Agency are:

Exhaustion of remedies

You must complete all levels of the *grievance* process available to *you* under state or federal law, including external review, before filing a lawsuit. This assures that both *you* and *we* have a full and fair opportunity to complete the record and resolve the dispute. Contact *us* if *you* believe *your* condition requires the use of the shorter time lines applicable to emergency health conditions.

The *grievance* process, however, does not stop *you* from pursuing other appropriate remedies, including injunctive relief or equitable relief, if the requirement of exhausting the process for *grievance*, including the *expedited grievance* process, would place *your* health in serious jeopardy.

COMPLAINT AND APPEAL PROCEDURES (continued)

A coverage denial does not mean that *your* provider cannot provide the service or supply. *Our* denial only means *we* will not pay for the service or supply, unless *our* decision is reversed upon further review or in a subsequent lawsuit.

Legal actions and limitations

No legal action to recover on the *master group contract* may be brought until 60 days after written proof of loss has been given in accordance with the "Proof of loss" provision of the *master group contract*.

No legal action to recover on the *master group contract* may be brought after the expiration of the applicable statute of limitations from the date written proof of loss is required to be given.

DISCLOSURE PROVISIONS

Employee assistance program

We may provide *you* access to an employee assistance program (EAP). The EAP may include confidential, telephonic consultations and work-life services. The EAP provides *you* with short-term, problem solving services for issues that may otherwise affect *your* work, personal life or health. The EAP is designed to provide *you* with information and assistance regarding *your* issue and may also assist *you* with finding a medical provider or local community resource.

The services provided by the EAP are not *covered expenses* under the *master group contract*, therefore the *copayments*, *deductible* or *coinsurance* do not apply. However, there may be additional costs to *you*, if *you* obtain services from a professional or organization the EAP has recommended or has referred *you* to. The EAP does not provide medical care. *You* are not required to participate in the EAP before using *your* benefits under the *master group contract*, and the EAP services are not coordinated with *covered expenses* under the *master group contract*. The decision to participate in the EAP is voluntary, and *you* may participate at any time during the *year*. Refer to the marketing literature for additional information.

Discount programs

From time to time, *we* may offer or provide access to discount programs to *you*. In addition, *we* may arrange for third party service providers such as pharmacies, optometrists, dentists and alternative medicine providers to provide discounts on goods and services to *you*. Some of these third party service providers may make payments to *us* when *covered persons* take advantage of these discount programs. These payments offset the cost to *us* of making these programs available and may help reduce the costs of *your* plan administration. Although *we* have arranged for third parties to offer discounts on these goods and services, these discount programs are not covered services under the *master group contract*. The third party service providers are solely responsible to *you* for the provision of any such goods and/or services. *We* are not responsible for any such goods and/or services, nor are *we* liable if vendors refuse to honor such discounts. Further, *we* are not liable to *covered persons* for the negligent provision of such goods and/or services by third party service providers. Discount programs may not be available to persons who "opt out" of marketing communications and where otherwise restricted by law.

Wellness programs

From time to time *we* may offer directly, or enter into agreements with third parties who administer participatory or health-contingent wellness programs to *you*.

"Participatory" wellness programs do not require *you* to meet a standard related to a health factor. Examples of participatory wellness programs may include membership in a fitness center, certain preventive testing, or attending a no-cost health education seminar.

"Health-contingent" wellness programs require *you* to attain certain wellness goals that are related to a health factor. Examples of health-contingent wellness programs may include completing a 5k event, lowering blood pressure, reduction in weight and body mass index or ceasing the use of tobacco.

DISCLOSURE PROVISIONS (continued)

The rewards may include payment for all or a portion of a participatory wellness program, merchandise, gift cards, debit cards, discounts or contributions to *your* health spending account. *We* are not responsible for any rewards provided by third parties that are non-insurance benefits or for *your* receipt of such reward(s).

The rewards may also include discounts or credits toward premium or a reduction in *copayments*, *deductibles* or *coinsurance*, as permitted under applicable state and federal laws. Such insurance premium or benefit rewards may be made available at the individual or *group* health plan level.

The rewards may be taxable income. *You* may consult a tax advisor for further guidance.

Our agreement with any third party does not eliminate any of *your* obligations under this *master group contract* or change any of the terms of this *master group contract*. *Our* agreement with the third parties and the program may be terminated at any time, although insurance benefits will be subject to applicable state and federal laws.

We are committed to helping *you* achieve *your* best health. Some wellness programs may be offered only to *covered persons* with particular health factors. If *you* think *you* might be unable to meet a standard for a reward under a health contingent wellness program, *you* might qualify for an opportunity to earn the same reward by different means. Contact *us* at the number listed on *your* ID card or in the marketing literature issued by the wellness program administrator for more information.

The wellness program administrator or *we* may require proof in writing from *your health care practitioner* that *your* medical condition prevents *you* from taking part in the available activities.

The decision to participate in wellness program activities is voluntary and if eligible, *you* may decide to participate anytime during the *year*. Refer to the marketing literature issued by the wellness program administrator for their program's eligibility, rules and limitations.

Shared savings program

As a *covered person* under the health benefit plan, coverage is limited to *network providers*, unless for *emergency care*. For coverage to be available for *non-network providers* other than *emergency care*, *you* must receive a referral from *us*.

If *you* choose to obtain services from a *non-network provider*, the services may be eligible for a discount to *you* under the Shared Savings Program. It is not necessary for *you* to inquire in advance about services that may be discounted. When processing *your* claim, *we* will automatically determine if the services are subject to the Shared Savings Program and calculate *your deductible* and *coinsurance* on the discounted amount. Whether services are subject to the Shared Savings Program is at *our* discretion, and *we* apply the discounts in a non-discriminatory manner. *Your* Explanation of Benefits statement will reflect any savings with a remark code that the services have been discounted. *We* cannot guarantee that services rendered by *non-network providers* will be discounted. The *non-network provider* discounts in the Shared Savings Program may not be as favorable as *network provider* discounts.

DISCLOSURE PROVISIONS (continued)

If *you* would like to inquire in advance to determine if services rendered by a *non-network provider* may be subject to the Shared Savings Program, please contact *our* customer service department at the telephone number shown on *your* ID card. Provider arrangements in the Shared Savings Program are subject to change without notice. *We* cannot guarantee that the services *you* receive from a *non-network provider* are still subject to the Shared Savings Program at the time services are received. Discounts are dependent upon availability and cannot be guaranteed.

We reserve the right to modify, amend or discontinue the Shared Savings Program at any time.

Additional group plan sponsor responsibilities

In addition to responsibilities outlined in the *master group contract*, the *group plan sponsor* is responsible for:

If the terms of a summary plan description differ with the terms of this *certificate*, the terms of this *certificate* will control.

Incontestability

No misstatement made by the *group plan sponsor*, except for fraud or an intentional misrepresentation of a material fact made in the application, may be used to void the *master group contract* or deny any claim for loss incurred or disability starting after the two-year period.

MISCELLANEOUS PROVISIONS (continued)

After *you* are covered without interruption for two years, *we* cannot contest the validity of *your* coverage except for:

- Nonpayment of premiums; or

At any time, *we* may assert defenses based upon provisions in the *master group contract* which relate to *your* eligibility for coverage under the *master group contract*.

No statement made by *you* can be contested unless it is in a written or *electronic* form signed by *you*. A copy of the form must be given to *you* or *your* beneficiary.

An independent incontestability period begins for each type of change in coverage or when a new application or enrollment form of the *covered person* is completed.

If *you* commit fraud against *us* or *your employer* commits fraud pertaining to *you* against *us*, as determined by *us*, *we* reserve the right to *rescind* *your* coverage after *we* provide *you* a 45-day advance written notice that coverage will be *rescinded*. *You* have the right to appeal the *rescission*.

Clerical error or misstatement

If it is determined that information about a *covered person* was omitted or misstated in error, an adjustment may be made in premiums and/or coverage in effect. This provision applies to *you* and to *us*.

Modification of master group contract

The *master group contract* may be modified by *us*, upon renewal of the *master group contract*, as permitted by state and federal law. The *group plan sponsor* will be notified in writing or *electronically* at least 45 days prior to the effective date of the change.

MISCELLANEOUS PROVISIONS (continued)

The *master group contract* may be modified by agreement between *us* and the *group plan sponsor* without the consent of any *covered person* or any beneficiary. No modification will be valid unless approved by *our* President, Secretary or Vice-President. The approval must be endorsed on or attached to the *master group contract*. No agent has authority to modify the *master group contract*, or waive any of the *master group contract* provisions, to extend the time of premium payment, or bind *us* by making any promise or representation.

Corrections due to clerical errors or clarifications that do not change benefits are not modifications of the *master group contract* and may be made by *us* at any time without prior consent of, or notice to, the *group plan sponsor*.

Discontinuation of coverage

If *we* decide to discontinue offering a particular group health plan:

- The *group plan sponsor* and the *employees* will be notified of such discontinuation at least 90 days prior to the date of nonrenewal of such coverage; and
- The *group plan sponsor* will be given the option to purchase all other group plans providing medical benefits that are being offered by *us* at such time.

If *we* cease doing business in the large *employer* group market, the *group plan sponsors*, *covered persons* and the Commissioner of Insurance will be notified of such discontinuation at least 180 days prior to the date of nonrenewal of such coverage.

Premium contributions

Your employer must pay the required premium to *us* as they become due. *Your employer* may require *you* to contribute toward the cost of *your coverage*. Failure of *your employer* to pay any required premium to *us* when due may result in the termination of *your coverage*.

Premium rate change

We reserve the right to change any premium rates in accordance with applicable law upon notice to the *employer*. *We* will provide a 30-day advance written notice to the *employer* of any such premium changes. Questions regarding changes to premium rates should be addressed to the *employer*.

Assignment

The *master group contract* and its benefits may not be assigned by the *group plan sponsor*.

Conformity with statutes

Any provision of the *master group contract* which is not in conformity with applicable state law(s) or other applicable law(s) shall not be rendered invalid, but shall be construed and applied as if it were in full compliance with the applicable state law(s) and other applicable law(s).
