Behavioral health resources
We include below links to resources on behavioral health topics.

Mental health

Lifeline
The National Suicide Prevention Lifeline, 1-800-273-8255, provides 24/7 free and confidential support for people in distress, prevention and crisis resources for you or your loved ones, and best practices for professionals.

National Alliance on Mental Illness (NAMI)
NAMI is the National Alliance on Mental Illness, the nation’s largest grassroots mental health organization dedicating to building better lives for the millions of Americans affected by mental illness.

National Institute of Mental Health (NIMH)
The National Institute of Mental Health is the lead federal agency for research on mental disorders.

U.S. Department of Veterans Affairs – PTSD: National Center for PTSD
The National Center for PTSD (Post-Traumatic Stress Disorder) is affiliated with the U.S. Department of Veterans Affairs, makes available resources and information for people and healthcare providers, and is the world’s leading research and educational center of excellence on PTSD and traumatic stress.

Suicide Prevention Toolkit
Tools and resources to help prevent suicide.

Alcohol and substance use

Addiction Resource
Addiction Resource provides a community for people recovering from addiction and to help people find the highest quality care for a successful recovery.
American Society of Addiction Medicine (ASAM)
The American Society of Addiction Medicine (ASAM) is a professional medical society representing more than 6,000 physicians, clinicians, and associated professionals in the field of addiction medicine. ASAM is dedicated to increasing access and improving the quality of addiction treatment, educating physicians and the public, supporting research and prevention, and promoting the appropriate role of physicians in the care of patients with addiction.

National Institute on Alcohol Abuse and Alcoholism (NIAAA)
The National Institute on Alcohol Abuse and Alcoholism, one of 27 institutes and centers that comprise the National Institutes of Health (NIH), supports and conducts research on the affect using alcohol has on human health and well-being.

National Institute on Drug Abuse (NIDA)
The National Institute on Drug Abuse is the lead federal agency supporting scientific research on drug use and its consequences.

Partnership to End Addiction
Partnership to End Addiction works with families, professionals, and other organizations to end addiction in the United States. Theirs is a public health approach rooted in science and compassion.

Substance Abuse and Mental Health Services Administration (SAMHSA)
The Substance Abuse and Mental Health Services Administration (SAMHSA) is the agency within the U.S. Department of Health and Human Services that leads public health efforts to advance the behavioral health of the nation. SAMHSA’s mission is to reduce the impact of substance abuse and mental illness on America’s communities.

Children and youth

American Association on Intellectual and Developmental Disabilities (AAIDD)
The American Association on Intellectual and Developmental Disabilities (AAIDD) provides worldwide leadership in the field of intellectual and developmental disabilities. Formerly AAMR (American Association on Mental Retardation), AAIDD is the oldest and largest interdisciplinary organization of professionals and others concerned about intellectual and developmental disabilities.

Autism Speaks
Autism Speaks is dedicated to promoting solutions, across the spectrum and throughout the life span, for the needs of individuals with autism and their families. Autism Speaks does this through advocacy and support; increasing understanding and acceptance of people with autism; and advancing research into causes and better interventions for autism spectrum disorder and related conditions.

Children and Adults with Attention-Deficit/Hyperactivity Disorder (CHADD)
Children and Adults with Attention-Deficit/Hyperactivity Disorder (CHADD) believes in improving the lives of people affected by ADHD.
National Autism Center

The National Autism Center is May Institute’s Center for the Promotion of Evidence-based Practice. It is a nonprofit organization dedicated to disseminating evidence-based information about the treatment of autism spectrum disorder (ASD), promoting best practices, and offering comprehensive and reliable resources for families, practitioners, and communities.

National Institute of Mental Health (NIH): Autism spectrum disorder

The National Institute of Mental Health (NIMH) is the lead federal agency for research on mental disorders. NIMH is one of the 27 Institutes and Centers that make up the National Institutes of Health (NIH), the largest biomedical research agency in the world. NIH is part of the U.S. Department of Health and Human Services (HHS).

National Resource Center on ADHD

The National Resource Center on ADHD (NRC), a program of CHADD, was established to be the national clearinghouse for the latest evidence-based information on ADHD. It is primarily funded through a cooperative agreement with the Centers for Disease Control and Prevention (CDC) National Center on Birth Defects and Developmental Disabilities (NCBDDD). The NRC serves as a National Public Health Practice and Resource Center (NPHPRC) with the mission to provide information, education and consultation about assessment, diagnosis, treatment, and issues of health and well-being for children with ADHD and their families.

State and national resources

Centers for Disease Control and Prevention

The Centers for Disease Control and Prevention makes available to the public free resources to support, and information about, children with developmental disabilities.

Division of Behavioral Health (DBH)

The Division of Behavioral Health (DBH) is responsible for the administration of state and federally funded mental health and substance abuse treatment services throughout the commonwealth.
